Handwriting

All are set weekly on Seesaw on a Monday, to be completed by the following Monday.

It has been really good to be able to check in with parents this week and talk about how your child is doing so far.

Chocolate!

The children have been working hard preparing jingles over this week to help promote their chocolate bar. We will be drawing our topic to a close next week and are really looking forward to sharing the work the children have done with you all.

Next Wednesday afternoon is a KS2 sharing afternoon. Please join us from 2pm until 3pm. The children will be set up at stations around the hall and a couple of classrooms ready to share their work. It will be a good opportunity for the children to talk through their topic this half term by sharing their chocolate bar design. We look forward to welcoming in all of you who are able to join us for the hour.

Reading

There is one more week for the children to complete their AR target. All children who achieve their target will receive a merit. Please support them in reading every day if possible, even if it's just 10 minutes.

TTRS

Times Table knowledge is really useful to the children in their maths work and will help them to be able to solve more complicated problems if they know their times table facts up to 12x12. TTRS is a fun way to help your child practice their tables.

Any other notes...

TT Rock Stars: <https://play.ttrockstars.com/>

Accelerated Reader: <https://global-zone61.renaissance-go.com/welcomeportal/2236659> Children can only quiz during school hours, but you can still log in to see how your child is doing with their quizzes.

If you need to get a message to your child's class teacher for that day, please give the message to the member of staff on the gate or email the school using the admin email.
