### Homework

Freckle Task

Spelling Activity

Handwriting

All are set weekly on Seesaw on a Monday, to be completed by the following Monday.

### Chocolate!

This week the children have been enjoying the scientific processes behind separating chocolate into its different ingredients.

Next week in our topic lessons we will be moving on to the DT elements of our topic. This will involve investigating packages for chocolate and designing a suitable package for a chocolate bar. We will be thinking carefully about the importance of measuring and cutting accurately.

### Compassion

Our value for this half term is 'compassion' and we have been thinking in our assemblies about looking at how that works in ourselves, for others and the wider world. We would love to hear about anything that your child has been doing to show compassion at home or in the community. Please share on Seesaw anything that your child has done to show this value this half term.

### MCAS

There are still quite a few children across KS2 who do not yet have permission to do activities including the professional photographer and trips. If you have not done so already, please can you go on to MCAS as soon as possible so that your child can take part in all activities.

### Break time snacks

Please can we remind you that we are a nut free school and ensure that your child only brings in nut free snacks and items in packed lunches. Please can you also ensure that snacks and lunches do not include packets of sweets.

### Any other notes...

TT Rock Stars: <https://play.ttrockstars.com/>

Accelerated Reader: <https://global-zone61.renaissance-go.com/welcomeportal/2236659> Children can only quiz during school hours, but you can still log in to see how your child is doing with their quizzes.

If you need to get a message to your child's class teacher for that day, please give the message to the member of staff on the gate or email the school using the admin email.
