"The school goes above and beyond for my children. We are very happy and would recommend it to any families in the area", (Parent October 2024)

"The way the SLT are always available and welcoming every day come rain or shine on the playground... the teacher's dedication and commitment not only to my child's academic subjects but also focused on their wellbeing as a whole person. We love it all and are so thankful that our children get to have such an amazing, safe, friendly place to grow up in!"(Parent October 2024)

"I have been delighted at the transition into school life - it's been more wonderful than I could have imagined! He's so settled and is learning at such a fast pace! I have been particularly pleased with how his phonics is coming on - love RWI - and with the communication both via MCAS and Seesaw. We thank you for the dedication and commitment."(Parent October 2024)
